

Chariho books are to be returned to Chariho High School between June 5th and June 22nd. Please make sure the returned books are identified with the student's name. When requesting books for the 2025-2026 school year, you will need to provide the book list given to you by your school. This list should indicate the student's name, parent's name, phone number, home address, email address, textbook title, and the ISBN# of the books being requested. **This list should be dropped off to Chariho High School by July 21, 2025.** This provides us with sufficient time to order books we do not have on hand or books that have been added due to changing curriculum. *Please note that we only provide textbooks listed on the State Textbook List.*

Books for the upcoming 2025-2026 school year will be available for pick up at Chariho High School between August 18th and August 26th. New titles or orders placed late may take longer. If you have any questions, please contact us:
